the destruction of memory architecture at war The Destruction of Memory Architecture at War Robert Bevan Crumbled shells of mosques in Iraq, the fall of the World Trade Center towers on September 11: when architectural totems such as these are destroyed by conflicts and the ravages of war, more than mere buildings are at stake.

The Destruction of Memory by Robert Bevan from Reaktion Books

the destruction of memory architecture at war Distributed for Reaktion Books. The Destruction of Memory reveals the extent to which a nation weds itself to its landscape; Robert Bevan argues that such destruction not only shatters a nation's culture and morale but is also a deliberate act of eradicating a culture's memory and, ultimately, its existence.

The Destruction of Memory: Architecture at War, Bevan

the destruction of memory architecture at war Architectural destruction creates a new physical reality and is a means of destroying people and rewriting history. Using a thematic approach, the focus is on the most brutal cases of architectural destruction in the last and current centuries. The first theme examines the role of architectural destruction in genocide and ethnic cleansing.

Project MUSE - The Destruction of Memory: Architecture at

the destruction of memory architecture at war 1 It may seem odd amidst the loss of life associated with war to pause to express concern over the destruction of buildings, bridges, and other architectural structures. However, as Robert Bevan argues in The Destruction of Memory: Architecture at War, the twentieth century witnessed not only an increase in the magnitude of destruction, but also the advent of military forces deliberately ...

The scorched cityscape of 1945 Dresden. Among the most indelible scars left by war is the destroyed landscapes, and such architectural devastation damages far more than mere buildings. A decimated Shiite shrine in Iraq.

The Destruction of Memory: Architecture at War - Goodreads

the destruction of memory architecture at war "The deliberate destruction of heritage is a war crime, it has become a tactic of war to tear societies over the long term, in a strategy of cultural cleansing. This is why defending cultural heritage is more than a cultural issue, it is a security imperative, inseparable from that of defending human lives.
