### **the detention project pdf**

the detention project Detention is the process whereby a state or private citizen lawfully holds a person by removing his or her freedom or liberty at that time. This can be due to (pending) criminal charges preferred against the individual pursuant to a prosecution or to protect a person or property. Being detained does not always result in being taken to a particular area (generally called a detention centre ...

the detention project A detention basin or retarding basin is an excavated area installed on, or adjacent to, tributaries of rivers, streams, lakes or bays to protect against flooding and, in some cases, downstream erosion by storing water for a limited period of time. These basins are also called "dry ponds", "holding ponds" or "dry detention basins" if no permanent pool of water exists.

the detention project Child detention goes on in the UK regardless of government claims to have ended it. By Tom Sanderson (reposted from OurKingdom) 12 June 2013. A boy was locked up for months at a UK immigration facility earlier this year, according to freshly released official data. The revelation dramatically exposes the falsity of government claims that the harmful practice of detaining children for ...
