the detour pdf

the detour A detour or (British English: diversion) is a (normally temporary) route taking traffic around an area of prohibited or reduced access, such as a construction site. Standard operating procedure for many roads departments is to route any detour over roads within the same jurisdiction as the road with the obstructed area.

the detour "Detour (There's A Muddy Road Ahead)" is a Western swing ballad written by Paul Westmoreland in 1945. The original version was by Jimmy Walker with Paul Westmoreland and His Pecos River Boys, issued around the beginning of November 1945.. The title comes from the repetition of detour in the chorus:
