the devastation of the indies a brief account The World of Vermeer: 1632-1675, Hans Koningsberger, New York, 1967. The center of old Delft is the market, which is shown as a white oblong rectangle in the middle of Johan Blaeu's plan of Delft is de Markt, or market square. The square is not particularly large, but it is dramatic because it is the only wide-open, ornamental space within a medieval huddle of houses.
