the development of agrarian capitalism Agrarian reform can refer either, narrowly, to government-initiated or government-backed redistribution of agricultural land (see land reform) or, broadly, to an overall redirection of the agrarian system of the country, which often includes land reform measures. Agrarian reform can include credit measures, training, extension, land consolidations, etc.

Agrarian reform - Wikipedia

the development of agrarian capitalism An agrarian society, or agricultural society, is any community whose economy is based on producing and maintaining crops and farmland. Another way to define an agrarian society is by seeing how much of a nation's total production is in agriculture. In an agrarian society, cultivating the land is the primary source of wealth. Such a society may acknowledge other means of livelihood and work habits ...
