the development of imperial gupta brahmi script THE STATE AND THE ECONOMY IN LATE IMPERIAL CHINA ALBERT FEUERWERKER The question, theoretical and empirical, of the relation of the state to the economy in preindustrial societies has of course not been ignored. Marx, for example, made this one of his central concerns in those sections of the

THE STATE AND THE ECONOMY IN - University of Michigan

the development of imperial gupta brahmi script and thus became a nation. We can identify three phases in the development of each nation state. Phase I was the development of a nationality within a clearly defined pre-national state. Phase II was the transfer of legitimacy from the ruler to the nation, by some form of rebellion against the ruler or assertion of nationality.
