Karl Deutsch, "Social Mobilization and Political Participation," in Jason Finkle and Richard Gable, Political Development and Social Change (John Wiley: New York, 1966) pp. 384-902.

Theories of Political Development - Georgetown University

the development of political science Considerable confusion exists over the concept of political development, which is of recent origin in political science. The confusion is compounded because particular trends in the social sciences inhibited explicit concern about political, as distinct from economic, development. Ten definitions of "political development" are analyzed in this article, and a final summary view of the ...

The Concept of Political Development - Lucian W. Pye, 1965

the development of political science This leads me to a discussion of the central problem of the growth of political power and its relationship to economic growth. Political Development in Development Economics Economic development theory and analysis has concerned itself primarily with the surface patterns and proximate sources of economic growth.

What Happened to Political Development? - AgEcon Search

the development of political science of the so-called developing areas. Yet, even when the latter dominated their agenda, political development scholars self-consciously and explicitly rejected an idiographic, area studies approach in favor of one based on the systematic and comparative study of political systems that arguably aimed to produce a nomothetic theory of comparative politics.

POLITICAL DEVELOPMENT, REVISITED

the development of political science It involves increase of structures, institutions, division of labour, specialisation, followed by ultimate sense of integration. Thus, political development, according to him, is a three-dimensional process of equality, capacity, and differentiation. He admits that these do not necessarily or easily fit together.

Political Development: Conceptual Explanation

the development of political science Examine various crises as identified by Lucian Pye. Advertisements: The origin of the term 'Political Development' can be traced to 1950's when a large number of American political scientists were attempting to study the political dynamics of the newly emerging countries of Asia, Africa and Latin America.

and POLITICAL, ECONOMIC & SOCIAL DEVELOPMENT

the development of political science ~ 1 ~. Preface. Political parties form a cornerstone of democratic society. They aggregate the interests of the public, articulate them in the form of policy options and provide structures for political participation. In addition, they train political leaders and contest elections to seek a measure of control over government institutions.

A Guide to Political Party Development

the development of political science In this booklet on political indicators we look at some basic human and trade union rights. These rights – to live, speak and move freely, for example – are perhaps the most basic measurement of a country's commitment to environmentally sustainable development, for human rights, development and the environment are closely interwoven.

Booklet 2 POLITICAL INDICATORS OF DEVELOPMENT

the development of political science of the Politics to acquaint her with the major concerns of Aristotle's political philosophy. Section 2 focuses on Aristotle's famous claims that the human being is by nature a political animal, that the polis (city-state) is natural, and that the polis is naturally prior to the individual, who belongs to the polis.

Aristotle's Social and Political Philosophy-2-1

the development of political science Development implies goals and the positing of goals requires values. Economists have generally agreed that the increase of wealth (or perhaps welfare) is the proper object of economic development. Political scientists, probably happily, have no similar agreement in regard to the appropriate goal for ...
